

Raymond Police Department

Directed Patrol Request

The Raymond Police Department accepts directed patrol requests via email. Request forms are used to request enforcement or other action by the Police Department related to speeding vehicles, problem traffic areas, or parking problems within the Town of Raymond.

Please provide us with your contact information so that we can clarify your request and/or follow up with you.

After completing this request form please email it to, directedpatrol@raymondnh.gov, for review and attention.
