February 18, 2017 (Saturday), 10:00AM-2:00PM

Raymond Police Station

Public tours of the Raymond Police Station have been scheduled for the next couple of months. The Raymond Police Station Building Committee is offering tours of the building on the above dates.

The Building Committee is inviting the public to tour the current police station to see first-hand the needs and concerns that are held within.

The tours will provide an opportunity for members of the building committee and the police department to show the public how the current facility is being used, while highlighting the growing list of space and safety concerns.

Members of the public who wish to join us are encouraged to ask as many questions as possible to obtain a clear understanding of the police stations deficiencies.
