REQUEST FOR PROPOSAL POLICE FACILITY SPACE NEEDS

The Town of Raymond, New Hampshire is accepting Requests for Proposals (RFP) for a Police Building Feasibility Study and general site evaluation for a Police Station. Currently, the Police Station is located with the Fire Department in a Public Safety Complex at #1 Scribner Road. The current police facility was built in 1990 and is twenty-six (26) years old.

Raymond is located in Southern New Hampshire on NH State Route 101, only sixteen (16) miles from Manchester to its west, and twenty-nine (29) miles from Portsmouth to its east. Raymond has an estimated population of 10,229, with a swell in population in the summer months due to a campground located in town and another in a neighboring community.

The Raymond Police Department has twenty-four (24) full-time employees and + / - eight (8) part-time employees, which includes a 24 / 7 Communications Center that dispatches all town emergency services. The department also dispatches fire / rescue operations for another community.

For the purposes of this space needs report, future growth will include an additional five (5) full-time officers / two (2) full-time dispatchers / three (3) full-time support staff / and an estimated community population of 14,000.

The police vehicle fleet consists of ten (10) marked & unmarked cruisers, one (1) police motorcycle, and one (1) OHRV. For the purposes of this study an additional three (3) cruisers will be added.

The below chart illustrates the activity of the Raymond Police Department.

Task #3 – Pre-Schematic Design Plan

Develop preliminary design drawings and floor plan layout. Process should be interactive facilitating maximum involvement by police and town staff.

1. Prepare draft schematic design plan for a Police Station. Also, develop communication tools including plans, models, color renderings, and sketches to use for a presentation at a Board of Selectmen meeting at a date yet to be determined.
2. 3-D computer modeling of the above plan for illustration purposes.
3. The applicant's proposal should describe in detail the quality of the plans and any other promotional materials that will be provided within the maximum overall project budget.
4. Facilitate a public discussion to establish architectural aesthetics.

Task #4 – Total Project Cost Estimate and Schedule

Provide a Total Project Cost Estimate that includes all soft costs related to the design and construction of the building (i.e. construction cost estimate, furniture/ equipment / locker / evidence room storage fixtures cost, project management, fees, contingencies, etc.). Provide a complete estimated project schedule for future design development and construction phases.

1. A report summarizing the estimated costs of all project elements as noted above.

Project Deliverables

Complete the above tasks and provide a written report as noted below. The report and preliminary plans shall also be provided in an electronic format. Town of Raymond shall own all rights to any reports, plans, or promotional materials produced under this Scope of Services. The Consultant should anticipate attending at least one (1) Board of Selectmen's meeting to present / discuss report.

Project Schedule and Meeting

It is the goal of the Town to complete the work in this Scope of Services section within approximately thirty days (30 days) following a Notice to Proceed.

Project Budget

The budget dollar amount is dependent on the extent of tasks identified in the final scope of work of the executed contract. Consultant should propose a budget to complete these tasks.
